How did you find out about Golden Retriever Rescue of Southwest Florida, Inc.?					
If you were referred, by whom please?					
<p>You are welcome, and encouraged, to include information in the space below that will assist in the processing of your application. Please tell us about your family. Please use additional pages if needed. Please be sure to include any information that you may have already given us by email or in conversation – the GRRSWF Representative processing your application may not have access to that data – this form should contain all the information you would like us to have upon review.</p>					

1. Please bear in mind that there are no right or wrong answers to the questions in this application. Our goal is to find the most suitable dog for your home, family and lifestyle; the more we know about your preferences, the better we are able to make the perfect match.
2. The Golden Retriever is a wonderful dog; however, they are predisposed to several conditions: ear infections, hot spots, food and environmental allergies, excessive shedding, and generally a need for lots of exercise in order to be good house pets. They are not outside dogs to be tied or enclosed away from their families and can become quite loud, destructive, and even self-mutilating if made to live in these conditions. These dogs are excellent obedience candidates and can be easily trained to be wonderful companions – if you will work with them.
3. You should assume that this pet will cost approximately \$600.00 a year in vet bills, heartworm & flea preventative (this does not include treatment for illness/injury) and at least \$500.00 to feed, more if they are special needs or have ongoing issues such as allergies. Additional expenses may include grooming, collars, leads, bowls, and toys. We do recommend that you research pet health insurance options and purchase, at the very least, a policy for catastrophic injury and illness.
4. Adoption fees for Golden Retrievers, all other purebreds and designer breed dogs:

Under 6 months:	\$500
6 months to 1 year:	\$475
1 to 3 years:	\$400
3 to 7 years:	\$350
7 to 10 years:	\$325
10 and older:	\$225
Mixed breed dogs:	\$200

Adoption fees are payable in full at time of adoption by cashier's check, personal check, or money order which should be made payable to: *Golden Retriever Rescue of Southwest Florida, Inc.*

5. All adoption fees include a current family membership to Golden Retriever Rescue of Southwest Florida, Inc.
6. Our dogs have been examined by one of our network veterinarians and all their individual medical needs are addressed. Additionally, each dog has had vaccinations, a heartworm and fecal test, a spay or neuter and microchip registration.
7. Thank you for your application. Please be aware that GRRSWF is run solely by volunteers; we will process your application as fast as possible but please allow us up to two weeks to do so. If you would like to contact us after one week to inquire as to the status of your application then we will be happy to update you.
8. GRRSWF will make every effort to contact you as soon as we believe we have a suitable dog available for you, **however once you are an approved home we strongly encourage you to regularly monitor our website for available dogs and to contact us if you see a dog that you believe might be an excellent addition to your family.**

I have completed the above to the best of my knowledge, and I have read and understood the information above; I understand and agree to the conditions herein.

Note: For electronic submissions, please print your name in lieu of your signature. We will ask you to sign the document, and to initial each page, at the time of the home visit.

GRRSWF APPROVED FOODS LIST

GRRSWF believes feeding a high quality food is very important to your pet's health. Feeding the correct food can improve and prevent problems with the coat, skin, ears, and weight of your dog. Spending a little more now on food may even prevent you from spending a lot later on trips to your vet. We have listed our approved foods below. Most of these foods may be found at your local pet supply store. We do not recommend any food that can be purchased at a grocery store. We have chosen foods that contain human quality meat or meat meal as the first ingredients. We avoid foods that contain by-products, corn, soy, wheat, fillers, chemical preservatives and artificial colors.
